Ph.D. Project & Advisor Preference

Name: ____________________________________________

I have discussed research opportunities with the following BE faculty:  
(Identify at least three with whom you have discussed possible projects)

1. _____________________________________________
2. _____________________________________________
3. _____________________________________________

My project choices for my doctoral thesis research, in order of preference, are as follows  
(indicate faculty name and approximate title of project):

1. _____________________________________________
2. _____________________________________________

This form may be submitted to the BE Academic Office (16-267) or emailed to the 
be-grad-office@mit.edu beginning December 1, 2023, but no later than February 5, 2024. Every effort will be made to match students with the first choice of advisor and 
project. In most cases, students will be notified of the official advisor assignment 
within two weeks after the form is submitted.
