Ph.D. Project & Advisor Preference

Name: ________________________________

I have discussed research opportunities with the following BE faculty:
(Identify at least three with whom you have discussed possible projects)

1. ________________________________
2. ________________________________
3. ________________________________

My project choices for my doctoral thesis research, in order of preference, are as follows (indicate faculty name and approximate title of project):

1. ____________________________________________
   ________________________________
   ________________________________

2. ____________________________________________
   ________________________________
   ________________________________

This form may be submitted to the BE Academic Office beginning December 15th, 2017, but no later than February 5, 2018. Every effort will be made to match students with the first choice of advisor and project. In most cases, students will be notified of the official advisor assignment within two weeks after the form is submitted.
